Federal Firearms License Holders:

The Law Enforcement Protection Program has been in effect since 1998. The proceeds from these sales of confiscated firearms have been instrumental in equipping Kentucky law enforcement personnel with personal body armor and other equipment which enabled officers to better serve the citizens of Kentucky. In 2008, the Kentucky General Assembly made the Kentucky State Police the administrator of the forfeited gun sales. There are few changes that will be noticeable to federally licensed firearms buyers that attend these auctions.

Attached are the procedures for registration and participation.

Questions or concerns may be addressed to Jeff Perkins, Program Coordinator, Kentucky State Police Supply Branch, 94 Airport Road, Frankfort, KY 40601, at 502.227.8744.

Respectfully,

Rodney Brewer
Commissioner,
Kentucky State Police
